The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Texas (Mr. NEUGEBAUER) and the gentlewoman from the Virgin Islands (Mrs. CHRISTENSEN) each will control 20 minutes.

GENERAL LEAVE

Mr. NEUGEBAUER. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on H.R. 4806.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

Mr. NEUGEBAUER. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 4806 would authorize a land exchange involving Federal

land in the Lincoln National Forest in the State of New Mexico.

This legislation would exchange 80 acres between the Lincoln National Forest and Lubbock Christian University for a much-needed expansion of the University's Pine Spring Camp. The camp is used in the summer for week-long camp sessions, and utilized in the winter by college groups, youth groups, and churches for retreats. In recent years, the camp has seen an increase in its visitors and will soon run out of room, forcing the camp to turn visitors away. Both the camp and Lubbock Christian University are non-profit.

While the land exchange takes place in the gentleman from New Mexico's (Mr. PEARCE) district, LCU is in my district and approached me for assistance for this issue. I would like to thank the gentleman from New Mexico (Mr. PEARCE) for his willingness to work with me on this issue, and I thank him for cosponsorship and support of this bill. Additionally, I would like to thank and recognize Lubbock Christian University not only for providing recreation and outdoor opportunities for students, but also for its notable contributions to the community of Lubbock and the State of Texas.

I urge support of this important measure.

Mr. Speaker, I reserve the balance of my time.

(Mrs. CHRISTENSEN asked and was given permission to revise and extend her remarks.)

Mrs. CHRISTENSEN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 4806, the Pine Springs Land Exchange takes approximately 80 acres of forest lands in the Lincoln National Forest and exchanges that for private land currently owned by Lubbock Christian University.

Currently, Lubbock Christian University operates a summer camp in New Mexico on private land adjacent to Lincoln National Forest. Their summer camp program has reached its capacity and the university desires to expand onto adjacent Forest Service lands.

In exchange for approximately 80 acres of lands adjacent to their existing camp, Lubbock Christian University will provide the Forest Service with approximately 80 acres of privately owned lands surrounded by Federal forests.

Our committee has worked hard to refine language that will make this exchange fair to the U.S. taxpayer. The bill we are considering today requires that the exchange be of equal value. If the land appraisals determine that the parcels are not of equal value, the bill provides for the equalization of values through cash payments.

We appreciate that land exchanges can often be controversial. However, we have tried very hard to ensure that this package consolidates Federal ownership in some parts of the forests while enabling Lubbock Christian University to expand its summer camp.

Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. NEUGEBAUER. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Texas (Mr. NEUGEBAUER) that the House suspend the rules and pass the bill, H.R. 4806, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.
